

MAH MBA CET 2026 Registration: Last 2 Days Left to Apply (Deadline Feb 20)

If you are planning to appear for **MAH MBA CET 2026**, this is your final reminder — **only 2 days are left to complete your registration**. The State CET Cell has officially extended the application deadline to **February 20, 2026**, giving aspirants one last opportunity to apply.

Thousands of students wait till the last moment and risk missing the exam. Don't be one of them — complete your form today.

1. MAH MBA CET 2026 — Revised Important Dates

Event	Date
Registration Start	January 10, 2026
Last Date to Apply (Extended) February 20, 2026	
Admit Card Release	March 2026 (expected)
Exam Dates (Attempt 1)	April 6–8, 2026
Exam Date (Attempt 2)	May 9, 2026

The deadline was earlier February 12 but has now been extended to February 20, 2026.

2. Who Should Apply Right Now?

You should immediately fill the form if you:

- Haven't registered yet
- Made mistakes and need time to correct
- Were waiting for documents
- Are targeting JBIMS, SIMSREE, Welingkar, PUMBA etc.

Remember: No further extension is usually guaranteed.

3. How to Apply for MAH MBA CET 2026

Follow these simple steps:

1. Visit the official CET Cell website
2. Click on MBA/MMS CET 2026 registration

3. Complete new registration
4. Fill personal and academic details
5. Upload photo & signature
6. Select test city
7. Pay the application fee and submit

The entire process is online and must be completed before the deadline.

4. Application Fee

- **General category:** ₹1500 (for one attempt)
- **Reserved category:** ₹1300 (for one attempt)

Make sure payment is successful — incomplete payments lead to rejection.

5. Why You Should Not Wait Till the Last Day

At The Top Percentile, every year we see students face:

- Server issues
- Payment failures
- Document upload errors
- Wrong form submissions

Pro tip: Apply at least 24 hours before the deadline.

6. What After Registration?

Once you complete the form:

- Start full-length mock tests
- Strengthen Abstract Reasoning & LR
- Revise Quant shortcuts
- Focus on speed + accuracy

With less than 2 months to the exam, your preparation strategy matters more than ever.

Final Words from The Top Percentile
